# Suggested Maintenance

1 To clean the headlight, use a warm, damp cloth. Never submerge the unit in water.

2 If the lamp is warm to the touch, switch to the lowest setting, or let the unit rest for 5 minutes.

**If your tool needs repair or maintenance, send it in to our top-notch repair specialist!**

## Warranty Information

Our tools are thoroughly inspected and tested in our machine shop. All new tools sold by Jerry's Equine Dental Tools are warranted to be free of defects from workmanship and materials for the period of 6 MONTHS from the date of the original purchase.

This warranty does not apply where:

- Repairs have been made or attempted by others
- Repairs are required because of normal wear and tear
- The tool has been abused, misused or improperly maintained
- Alterations have been made to the tool

IN NO EVENT SHALL JERRY'S BE LIABLE FOR ANY INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES ARISING FROM THE SALE OR USE OF THE PRODUCTS SOLD HEREUNDER.
